We Know
We Are Treading
On Somebody's Toes.

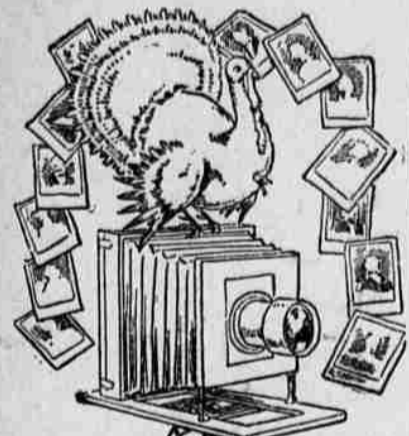

Otherwise somebody would not squeal. The purchasing power of cash, wisely and liberally spent by us has brought the prices in our store down to a level that some of the other stores are apparently unable to reach. This battle of business means the survival of the fittest and the benefit of the buyer. This is best shown by the following figures:

SHOES

That were \$4 are now \$2.75
That were \$3 are now \$2.25
And our \$2.50 line are the most popular sellers we've ever handled. Get in line.

THE GREAT FESTAL SEASON.

Are you thankful? Your feeling of thankfulness is measured merely by your appreciation of the privileges or advantages you enjoy. You need something to be thankful for in order to be truly thankful. Let us make you picture thankful. We give you photographs that will please you, photographs that will make you thankful.

UNDERWEAR.

The worst colds of the season and other sicknesses come by neglecting to put on warm underwear in time. We have some fine seasonable goods in this line in fashionable colors and make-up at very moderate prices. This Underwear is all regular made, well trimmed, pearl buttons, and all properly stayed where the wear comes the hardest.

Such underwear as gentlemen usually pay \$3.00 and \$4.00 a suit for, \$1.00 and \$2.00 per suit here.

Moving East...

Our stock of suits and overcoats is moving right along. Our trade is increasing daily. Perhaps the reason for it is that we never before had anything like such an attractive line of goods. Every garment in our stock is cut right in the height of fashion and perfectly tailored—is finished inside and outside with all the characteristics of the best kind of made-to-measure goods. When you see the goods, you will guess the prices to be from 20 to 40 percent more than they really are. We are showing some suits and overcoats at \$5.00 that are world-beaters. Your money back if not satisfactory.

THE GAME TODAY.

Last Contest of the Football Season in Marietta.

The Miami University football team arrived last evening at 7 o'clock over the B. & O. S. W. They are a fine looking set of fellows and as they are heavy and have a good record this season the game this afternoon will be a very interesting one. The Miami team has been defeated this year by the strong Cincinnati team by a score of 6 to 0 and have defeated several very strong teams in the state. Our boys are in good shape for the game, have had good practice this week. Miami has the reputation of being a very clean team and play a gentlemanly game.

Following is the line-up for today:

NEELY NOT THE MAN

Who Came to Frank Bookover's—He Is Discharged.

PARKERSBURG, Nov. 24.—The hearing of Verdie Neely came up this afternoon before Squire Jones. Frank Bookover was the first witness introduced by the State. He swore positively that Neely is not the man who came to his house with a woman and asked for a newspaper to wrap a basket in on the evening of November 8; that the man was younger and smaller than Neely and with a smaller moustache. Witness positively identified Laura Jones, of Avery street, as the girl who was with the man.

Laura Jones was next put on the stand and admitted being at Marietta and Williamstown on or about the 3d inst. Said she went with Joe Dillon, of this city, a small, heavy-set, young man, with a dark moustache. After hearing Laura Jones' testimony, Prosecuting Attorney Laird asked the court to discharge the prisoner as he was satisfied that he was not the man they were after. Neely was then discharged.

BLOWN TO PIECES.

Eleven Year Old Boy Meets a Horrible and Mysterious Death.

A report reached this city Wednesday of a shocking and fatal accident which occurred the day before near Dana's Run school house in the East end of the county. The victim was Joseph Seeyers, the eleven-year-old son of Jerry Seeyers, who had been dismissed from school and had started for home. When he was a short distance away a terrific explosion occurred and he was blown to pieces, his arms and legs being horribly mangled. No one saw the lad at the moment of the accident, but the explosion is supposed to have been caused by a can of nitro-glycerine which had been concealed in the brush. The shock of the explosion was felt for a great distance and the body of the unfortunate boy was blown several yards away.

B. of R. T. Ball.

The annual Thanksgiving Day Ball of the B. of R. T. will be held at Electric Power Hall this evening and it will no doubt be largely attended. A good-sized delegation is expected to be up from Parkersburg. An interesting feature of the evening will be the voting contests for an elegant silver plated lantern and a bicycle. For the lantern the contestants are Peter McCabe, of the Ohio River Road and Fred Congrove, of the B. & O. S. W.; for the bicycle, Miss Inez Preston and Miss Bessie Danker.

Married.

Mr. Henry Belz was married Wednesday evening Nov. 24th, to Miss Rose Beutenmueller, of Coshocton. The ceremony was performed by the Rev. K. F. Thieme, of St. Lucas Church. Mr. Belz is popular West Side merchant, and his friends will wish him and his bride much joy.

The Minstrels Tonight.

Mahara's Minstrels, which occupy the boards tonight, are very well spoken of by the neighboring press, and we presume will do a nice business here.

Will Become a Trained Nurse.

Miss Jennie Hill, daughter of Mr. Jos. Hill, this city, expects to leave Monday next for Washington, D. C., to train for a professional nurse.

The man who has been struck by a locomotive and is picked up alive and carried off by the cow-catcher has had a miraculous escape. The man who through neglect has sacrificed his health and wrecked his body, and through the merits of a medicine is picked up alive and restored to health has had an almost equally wonderful experience. There are thousands of men, who have for years over-worked themselves to the neglect of their health, and then when utterly wrecked in body and shattered in nerve have been picked up and restored to health by Dr. Pierce's Golden Medical Discovery.

It is a marvelous remedy that corrects all disorders of the digestion, invigorates the liver, and fills the blood with the life-giving elements that build new flesh and muscle. It is the great blood-maker and flesh-builder. It cures 95 per cent. of all cases of consumption and is a specific for diseases due to disorders of the digestion or imperfect nutrition. Druggists sell it.

"Myself and wife," writes Mr. H. G. Adams, of Turner Station, Henry Co., Ky., "have taken five bottles of your 'Golden Medical Discovery' and 'Favorite Prescription.' The medicines are curing both of us. We can't say too much for them or for you. My wife persuaded me to quit the doctor here and try one bottle of your 'Golden Medical Discovery.' I did so, and I thank God I have not time to write about now. I now feel better and look better than ever before in my life."

Dr. Pierce's Pleasant Pellets are the surest, safest, quickest cure for constipation. They never gripe. One little "Pellet" is a gentle laxative, and two a mild cathartic. Substitutes are sometimes dangerous, and always cause discomfort.
